CELL PHONE POLICY

Use of phones is not permitted during the instructional blocks of camp, including on-field instruction and classroom activities. We feel this will minimize distractions to the learning environment, help to maintain an inclusive atmosphere, and alleviate potential problems that can detract from the overall experience for everyone. This will also ensure we optimize productivity at camp.

Phone use will be allowed during any free time and meals. We will still encourage players to minimize their time on devices in order to interact and engage with other campers, but understand they might want the chance to call home, text friends, etc.
