CELL PHONE POLICY

Use of phones is not permitted during the instructional blocks of camp, including on-field instruction and classroom activities. We feel this will minimize distractions to the learning environment, help to maintain an inclusive atmosphere, and alleviate potential problems that can detract from the overall experience for everyone. This will also ensure we optimize productivity at camp.

Phone use will be allowed during any free time and meals. We will still encourage players to minimize their time on devices in order to interact and engage with other campers, but understand they might want the chance to call home, text friends, etc.

RAIN POLICY

Our camp will run rain or shine with safety as our top priority. In the event of inclement weather, we will adjust the schedule as needed to ensure a safe and productive experience for all campers. For any questions regarding weather, please contact us using the information above.

CONTACT INFORMATION

We understand that there may be times where you will need to get in contact with your camper urgently, or you might need to arrange to collect them from camp earlier than usual. If you need to get in contact with the camp director, please contact us using the information below:
